COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants have reviewed the Examiner's Statement of Reasons for Allowance, contained in the Notice of Allowance mailed on August 10, 2007, and wish to submit the following comments. The Statement paraphrases several limitations from independent claim 1 as reasons for allowance of the claims. Initially, Applicant wishes to point out that the scope of claim 1 is based on the actual language of claim 1. In addition, the stated reasons for allowance should be interpreted as highlighting only some of the reasons why claim 1 is allowable. No further limitations of the claims should be inferred from the Statement.

Moreover, dependent claims 2-14 recite additional limitations which, in combination with their base claim, render the dependent claims allowable over the prior art. The Statement also lists prior art deemed "pertinent to applicant's disclosure." Applicant makes no comment and does not acquiesce with the Statement's characterizations of prior art. Otherwise, Applicant agrees with the Examiner that the allowed claims distinguish over the prior art.
